### **Claim Rejections**

Claims 1-22 are rejected under 35 U.S.C. § 112, first paragraph. Claims 1-22 are rejected under 35 U.S.C. § 112, second paragraph.

### **Amendments to Specification**

Applicant has amended the Specification as noted above to cure obvious grammatical and idiomatic inaccuracies. It is believed that the foregoing amendments to the Specification overcome the outstanding objections thereto. No "new matter" has been added to the original disclosure by the foregoing amendments to the Specification.

### **Abstract of the Disclosure**

Applicant is submitting a substitute Abstract of the Disclosure for that originally filed with this application to more clearly describe the claimed invention. Entry of the Substitute Abstract of the Disclosure is respectfully requested.

### **Drawings**

It is noted that the Examiner has accepted the drawings as originally filed with this application.

### **Claim Amendments**

By this Amendment, Applicant has amended claims 1, 5, 6, 8, 10, 16, 17, and 20 of this application. It is believed that the amended claims specifically set forth each element of Applicant's invention in full compliance with 35 U.S.C. § 112, and define subject matter that is patentably distinguishable over the cited prior art, taken individually or in combination.

It is submitted that the claimed subject matter is described in Applicant's specification in sufficient detail to enable one having ordinary skill in the art to make and use Applicant's invention without undue experimentation. It is believed that Applicant's specification discloses how to make and use the claimed invention.

Application No. 10/618,754

In the absence of any art cited against Applicant's original claims, it is not believed that any detailed discussion of the cited prior art references is necessary.

**Summary**

In view of the foregoing amendments and remarks, Applicant submits that this application is now in condition for allowance and such action is respectfully requested. Should any points remain in issue, which the Examiner feels could best be resolved by either a personal or a telephone interview, it is urged that Applicant's local attorney be contacted at the exchange listed below.
